

**“2010 IFCC/ABBOTT Award for Significant Contribution in Molecular Diagnostics”
*bestowed to Prof. Gregory J. Tsongalis***

This annual Award honors an individual who has made unique contributions to the promotion and understanding of molecular biology and its application in Clinical Chemistry and Laboratory Medicine worldwide. The 2010 Award has been conferred to Professor Gregory J. Tsongalis of the Dartmouth-Hitchcock Medical Centre, University of Dartmouth Medical School New Hampshire USA, at the recent XXII Asian Pacific Congress of Clinical Biochemistry that was held in Seoul South Korea from October 3-7, 2010.
