Websites

Bill Gates wasn’t kidding when he said:

“If your business is not on the internet, then your business will be out of business.”

-Bill Gates, Founder of Microsoft

Any Time  Any Where  Any Device
IFCC

Global organization

Vision:

*Advance excellence in laboratory medicine for better healthcare worldwide*
Communications and Publications Division (CPD)

It is the mission of the CPD to:

• **Communicate** the work of the IFCC to clinical laboratory scientists, physicians and health care policy makers **worldwide**

• **Provide** educational material to clinical chemists in both printed and electronic forms

• **Promote** the image of the IFCC to its individual members, to the biomedical industry and to the **world-wide health care community** at large
Our Website

• Structure based around IFCC functional units
• Open resource
• Over 760 pages
• Maintained and managed by the IFCC office staff and C-IeL, supported by web development company InSoft Digital
Some Features
