

the
40th
conference

LABAC
Réseau de Laboratoires de Biologie Médicale Accrédités

Thursday, May 16th, 2019

09:00– 09:30 Registration

Opening session

09:30 – 09:40 Introductory note

Bernard Gouget

Chair - Cofrac Healthcare Division Committee, Chair-IFCC Committee on Mobile Health and Bioengineering in Laboratory Medicine

SESSION HEMATOLOGY

in partnership with **Sysmex Europe**

“Sigma Metrics in Hematology – Challenge the Practice”

Chair : **Pr Valérie Bardet**

President of the Francophone Group of Cellular Hematology (GFHC)

09:40 – 10:30

Hans Van Schaik “Application of TEa and Six-Sigma to Hematology parameters, the pro’s and con’s”

Department of clinical chemistry Sint Antoniusziekenhuis Nieuwegein, The Netherlands

10:40 – 11:30

Hassan Bayat “Performance evaluation and QC planing using Sigma Metric”

Immunogenetics Research Center, Mazandaran University of Medical Sciences, Sari, Iran

11:40 – 12:30

Abdurrahman Coskun “Application of Sigma Metric in Quality Assessment of Hematology and Coagulation Tests”

Department of Medical Biochemistry, Acibadem Mehmet Ali Aydinlar University, School of Medicine, Istanbul, Turkey

Lunch

SESSION: NEWS IN LABORATORY MEDICINE

Chair : **Jean-Michel Vialle** LBM Vialle, Bastia

14:00 – 14:45

Pr Jean Ferrières “Familial hypercholesterolemia: A serious disease where biology can make the diagnosis at a reversible stage”

CDPA, Cardiology department, CHU Rangueil, Toulouse, France

14 :45 – 15 :15

Pr Henri Portugal « Feedback on the LABAC / SFBC / FAEEQ consensus day on internal quality control, external quality control and measurement uncertainty” - Aix Marseille University - APHM - Member - Cofrac Healthcare Division Committee

15 :15 – 15 :35

Mickael Paris “Back to LABQUALITY DAYS - Helsinki - International Congress on Quality in Laboratory Medicine 2019”

Cerballiance, Dijon, France

15 :35-16 :00

Jean-Pierre Bouilloux “Presentation of the metrology guideline for the Medical Biology Laboratories :

temperature measurements and thermostatic chambers “- LxBIO, Rodez, France.

Closing session

16:00-16:10 - Conclusion note

Jean-Marc Giannoli LABAC Président - Dyomédeia/Néolab, Lyon, France
