The election of the President-elect, to commence the term of office on January 1st, 2020, was concluded on September 30th, 2019. The IFCC congratulates the President Elect and wishes him a fruitful and successful term of work for the promotion of Clinical Chemistry and Laboratory Medicine world-wide. Prof Adeli will commence his term in office on January 1st, 2020.

IFCC C-MBHLM Survey on Digital Diagnostics

Digital innovations in Healthcare and diagnostic environment are accelerating quickly in the recent years and hold great promise with social and economic values. With the adoption of these new technologies, new business models and new workflows are transforming lab medicine and healthcare. Facing these challenges, the Committee on Mobile Health and Bioengineering in Laboratory Medicine (C-MHBLM) is organizing a survey on m-Health and the areas of mobile and digital health.

**Deadline to complete the survey is:** October 31, 2019.

Thank you for completing this questionnaire and distributing it as widely as possible.
